

RAGLEY

HALL, PARK & GARDENS

Break out of the Office with the Ragley Forest Adventure!

Looking to get your team out of the office for the day? The Ragley Forest Adventure is a great new teambuilding package which challenges your staff to work together whilst having fun.

Your day begins with a breakfast briefing at the Hall where your group will be split into teams to face the challenges of the day.

The first activity is an orienteering exercise with each group competing to be the first to find their way to camp using a map, compass and a variety of clues.

Once all groups have found their way to camp they will be rewarded with a hot drink before taking on their next task, Lunch!

In order to prepare their lunch, they'll first have to build a fire from scratch then each team will have to put together a meal from the mixed bag of ingredients supplied.

The afternoon's activity is to build a waterproof shelter of their own design from materials available in the forest before ending with a scavenger hunt.

The day will end back at the Hall where the teams will be treated to afternoon tea whilst the instructor counts up the scores before announcing the winning team.

This package costs just £95+VAT per person and is available throughout the year. Our instructor is an experienced Forest School leader and will be happy to tailor activities to your requirements. For more information visit www.ragleyhall.com or call Tom Shepstone on 01789 762090.
